

Desarrollando una aplicación – Tarea Semana 2

1- Página principal aplicación:

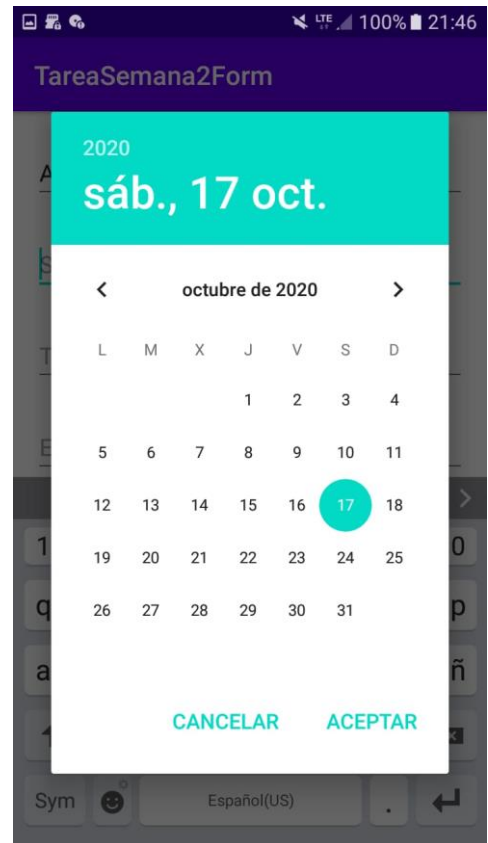

The screenshot shows the main form page of the 'TareaSemana2Form' application. The title bar is purple with the text 'TareaSemana2Form'. Below the title bar, there are five text input fields: 'Nombre', 'Seleccionar Fecha', 'Telefono', 'Email', and 'Descripcion'. At the bottom of the form, there is a yellow button labeled 'SIGUIENTE'. The status bar at the top shows LTE signal, 100% battery, and the time 21:45.

3- Campos completados:

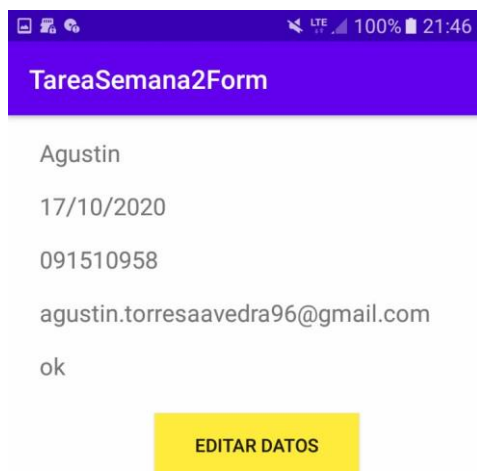

The screenshot shows the same form page as before, but with the fields filled out. The 'Nombre' field contains 'Agustin', the 'Seleccionar Fecha' field contains '17/10/2020', the 'Telefono' field contains '091510958', and the 'Email' field contains 'agustin.torresaavedra96@gmail.com'. The 'Descripcion' field contains 'ok'. The yellow 'SIGUIENTE' button is still at the bottom. The status bar at the top shows LTE signal, 100% battery, and the time 21:46.

2 – Al hacer click en “Seleccionar Fecha” se nos despliega el siguiente calendario:

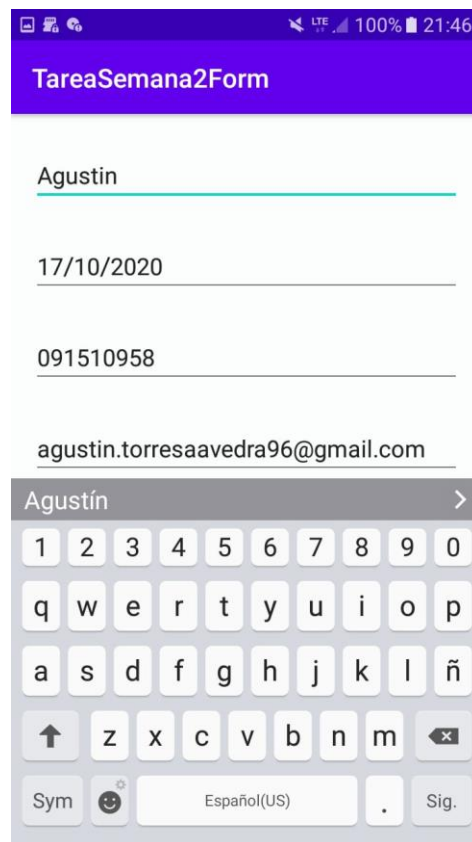

The screenshot shows a date selection calendar. The title bar is purple with the text 'TareaSemana2Form'. The calendar is displayed in a white box with a teal header. The header shows the year '2020' and the selected date 'sáb., 17 oct.'. Below the header, there is a calendar grid for the month of 'octubre de 2020'. The grid shows the days of the week (L, M, X, J, V, S, D) and the dates. The date '17' is highlighted with a teal circle. At the bottom of the calendar, there are two buttons: 'CANCELAR' and 'ACEPTAR'. The status bar at the top shows LTE signal, 100% battery, and the time 21:46.

4- Al hacer click en “siguiente” pasamos a otra activity donde se nos muestran los datos completados:

The screenshot shows the 'TareaSemana2Form' app interface. At the top is a purple header with the title 'TareaSemana2Form'. Below the header, the following text is displayed: 'Agustin', '17/10/2020', '091510958', 'agustin.torresaavedra96@gmail.com', and 'ok'. At the bottom, there is a yellow button labeled 'EDITAR DATOS'.

5- al hacer click en “editar datos” nos lleva a la página anterior para realizar modificación:

The screenshot shows the 'TareaSemana2Form' app interface with the keyboard open. The text fields contain the same data as in the previous screenshot: 'Agustin', '17/10/2020', '091510958', and 'agustin.torresaavedra96@gmail.com'. The keyboard is visible at the bottom, showing the text 'Agustín' in the search bar and the Spanish (US) keyboard layout.
